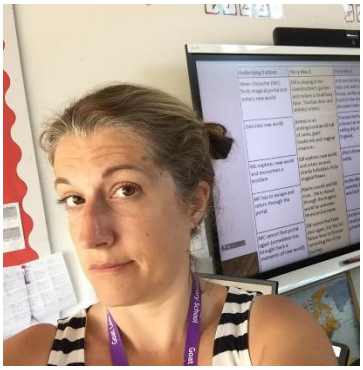
Dear Pygmy,

What scorching weather we had this week! We hope that you all found safe, socially distant ways to enjoy the sun! Some of the children completed cycle training this week, they even practised riding their bikes out on the main roads, which is great practice for secondary school as some of you might like to cycle to your new school. Paige also started the 'Space bun' craze, so we have decided to have space bun/Mohawk Wednesday's! Take a look to see how are first one went…



As you can see we all had fun taking part!

Here is this week's timetable:

Monday **Colour clash day**	**Tuesday** **Back to front Tuesday**	**Wednesday** **Space buns and Mohawk day**	**Thursday**	**Friday** **Hoodie Friday**
Talk for writing packs – activity 10 – planning a story.	Music	Talk for writing packs – activity 11- writing a story.	Fiver challenge – sales pitch	Fiver challenge - start making product
Break	**Break**	**Break**	**Break**	**Break**

Lunch	**Lunch**	**Lunch**	**Lunch**	**Lunch**
Topic	Transition activities BE awesome, go big		Coram scarf lesson - friendship	Outdoor social distancing games
End of year quiz / singing	PE - Elite		Singing	Singing

Mrs de Roeck will be sending out the PowerPoints that accompany the lessons on Monday morning. You may have noticed that we have added in some other special days – this Monday

we will be wearing a colour clash of clothes, and we will be wearing our clothes back to front on Tuesday! We will be posting the evidence on our newsletter next week!

Transition Week

For most of you, this week would have been your transition week at your new secondary schools, so do take some time to look at the transition PowerPoints if you are learning at home, as there is lots of great information on them to help you prepare for the change.

Fiver Challenge

The Fiver Challenge is in full swing now, and next week the children in school will be making their products – keep an eye out for the catalogue of products that we will create, and if you would like to contribute to this with your own product made at home, just email Mrs de Roeck or Mrs Cooper.

Singing

We have been busy practising our songs for our leavers' presentation – if you have also been singing these at home, you are more than welcome to send us a video to help with our virtual choir that Mrs Davis is organising – the songs are 'You've got a friend in me' by Randy Newman, 'Time of our lives' by Tyrone Wells and 'Never forget' by Take That.

Keep smiling,

Mrs D, Mrs C and Mrs P
