

**Billy Class Term 1 -  
Curriculum Map for 'All about me' topic**

**Literacy**

Can you write your name? Practise copying your name and write it using pencils, paint or even using your finger in sand or glitter!

Listen to lots of stories read by your teachers and on the interactive whiteboard.

Talk about the stories shared- how does this character feel? How do you know? What can you see in this picture?

**Maths**

What numbers do you know? Do you know how old you are? Can you recognise your age? Do you know your door number?

Where do the different toys in your new classroom live? Can you find the correct places for them?

Do you know what behind/in front/next to/on top means?

**Physical Development**

Explore moving your body in the outside area using large movements. How many jumps can you do? How fast can you run?

How do you hold your pencil?

Can you build a tall tower using the bricks in the outside area?

Ride the balance bikes!

**Personal, Social & Emotional**

Can you tell your new friends your name?

What is your favourite colour, animal or food? Tell your class during circle time.

What did you call your new teddy from school?

Did you take your teddy on any adventures? Can you tell your friends what you did together?

**Understanding the World**

How do we use the different items in the home corner? Do you have a toaster or microwave at home?

Who lives in your house? Tell your new friends about your family- do you have any brothers or sisters?

**Expressive Art and Design**

Explore the different ways of making marks- what could you make in the creative area of the classroom?

Can you paint a picture of your face? What colour is your hair and your eyes?

Bring in photos of family for a class display, exploring how we are all different.

**Communication and Language**

Take turns to listen to your new friends speak during circle time. What can you find out about them? What do they like and dislike?

Learn some Makaton signs with your new friends.
