

## Topic / History

**Timeline** - History of Ancient Greece, important events and inventions which influence our lives.

**Each week:** focus on an element of how the Greeks impacted on our lives, each session focus on the sources of information - primary/secondary sources, are they reliable? Are they useful? Critically evaluate each resource used.

\*Politics & democracy

\*Language, alphabet & library

\*Olympics

\*Medicine

\*Theatre

## English - cross curricular links

**Biographies** - Famous Grecians - *Socrates, Alexander the Great, Aristotle, Plato, Homer, Pythagoras, Archimedes*

**Debate** - Who was the Greatest Greek?

## Art / DT

**Vases** - what do Greek vase tell up about life in Ancient Greece? Are they a reliable source? Why?

**DT** - Archimedes screw - Greek inventions or building structures, looking at Greek architecture. How were the buildings constructed?

## Assessment:

How did the Greeks influence our lives today?  
*Greek life and achievements, Influence on the Western World.*

### PE

Indoor - curling/Archery,  
outdoor - swimming

### RE

What differences does it make to believe in ahimsa, grace and/or Ummah?

### French

The Olympics

### Science

Evolution & Inheritance

## PSHCE

**Whole school** - mental health and well-being.

**Mythology** - how is this linked to religion today? Are there any influences?

**Philosophy** - what is it and why is it important? Why did people begin to ask questions?

**Stunning start** - Look at the vases, what can we find out? Where have these come from? The role of an archaeologist. Is it a reliable source? Construct own vases.

**Epic ending** - Children to decide which is the most important aspect of Greek life/invention. Children to justify their opinions - write a speech and deliver to others (set up a court room)
