Community events

We both attended the Coffee and Chat morning in June, it was lovely seeing you all including Counsellor Damian Green who was also in attendance. We will continue to make the efforts to attend these events as frequently as possible.

PC Lawrence held a community engagement this month in Bockhanger Square it was reassuring speaking with the public that came as they had no issues but was reassured with the presence. If you do have any issues but do not feel comfortable attending in person, then do not hesitate to report your concern online or 101/999. [Report | Kent Police](#)
