Harvest message from Bright City Church:

On behalf of Bright City Church and our food project volunteers I would like to express our sincere thanks for the wonderful donations of food your children and their families contributed to the project. Each year at Harvest Festival time we always experience such a welcome boost to our stocks of food.

Without the generous giving from members of the community like yourselves we simply wouldn't be able to provide the much-needed assistance to families and individuals experiencing hardship at this time.

Thank you for all your donations, as you can see, they were very much appreciated.

FLO

Healthy Lunches Box: Can we politely remind you again that packed lunches should not be filled with overly sugared foods and drinks. Current research shows that healthy eating can make a significant difference and over processed foods should be limited.

Breakfast Club Breakfast Club is becoming very popular and has been fully booked on a number of days. If you cannot book your child, on a certain day it will be because the spaces have all been taken and the session is full. If this is the case, please do not bring them along to Breakfast Club, as unfortunately, they will be turned away.

If your child is registered for the club, but won't be attending, please do let us know so another child can take their place.

Being late - As you all know when children are late, their lunch option will be pasta as the kitchen prints their menu choice list right after registration closes. If you know your child will be late and this will cause a problem for them, please let us know in advance and you will be able to choose their lunch; this can be a call or even a text.

Billy Class

It's been a chilly week! Billy Class have still loved playing outside and exploring our outside area. Please can we ask that all scarves, gloves and hats that they wear are named. Thank you 😊

In **Phonics** next week we will learn words with 's' at the end (plurals), words with 's' at the end where it makes 'z' and we will be reviewing the digraphs learned over the last few weeks. Your children know a digraph as 'two letters that make one sound', such as ch, sh and th.

We will learn these **tricky words**: we, me, be

We will continue with our rockets topic which ties in nicely with what we are learning about Diwali. Please speak to your child about what they will need to bring in to make their rockets. This may be boxes, washed plastic bottles, string or any other junk modelling that they require. Please can we ask that the **resources** are brought in on Monday 24 November.

Thank you for your support with our Nativity. Please note that **costumes** are to be brought in by Friday 28 November in a named carrier bag.

Cashmere Class - Year 4

Cashmere have had a great week, producing some amazing descriptions for their Greek Myth writing. We've been describing mythical creatures such as the Hydra and the Minotaur, which has been a lot of fun! I've been really impressed with the effort some children have put in, and they've been rewarded for it, so let's keep it up!

In Maths, we've flown through our unit of work on finding the area of a shape and are now starting the delightful topic of multiplication and division, so please support your children with practising this at home.

Next week we have a Fire Safety Talk taking place during an assembly slot and on Friday we will be taking part in a School House Competition afternoon.

Let's keep up the amazing push we're having on homework, including reading, TTRS and Spelling Shed. If you have any issues with logging into TTRS or Spelling Shed, please let us know asap. Thank you so much for your support with this.
