

AT THE HEART OF THE COMMUNITY

Dear Parents/Carers

Thank you for your co-operation in response to our Covid-19 outbreak. We are aiming to keep our school open for the rest of this term, but due to the staff shortages we are already experiencing, we will be closing at 2:00pm on Thursday 17 December.

If any parent/carer is unable to arrange their child/ren's collection at the earlier time we will obviously make an effort to keep their children at school until the normal home time.

As I am sure you can imagine we are all still exceptionally busy and we need to tidy up on Thursday ahead of various contractors attending the site on Friday for essential maintenance and cleaning.

Thank you

MS T A ADAMS  
Headteacher
