

For Children Staying at Home

Back in March, Goat Lees Primary School had to make some changes. Everyone in the whole world had to make changes too.

You have been a superhero for staying home, following the rules and keeping safe!

Some of the rules have been tricky to follow and may mean that you are missing some of your friends and family. We have all had moments of feeling sad, even the adults.

Most of you have not been in school since then and we have missed you very much.

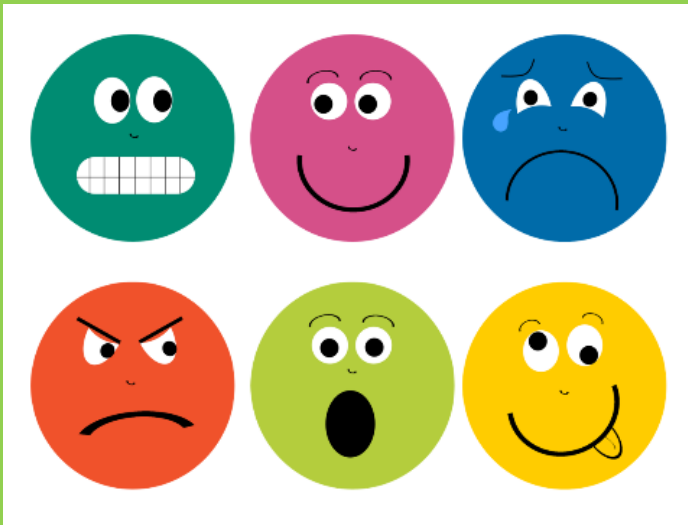

The people who run our country have made a new plan about the things we need to do to keep everyone safe. Everyone has to follow this new plan.

You might have noticed that more adults are going back to work and we can now exercise as much as we want and meet up with up to 6 people. Some shops have opened, and they have also decided that we can invite some children back to school.

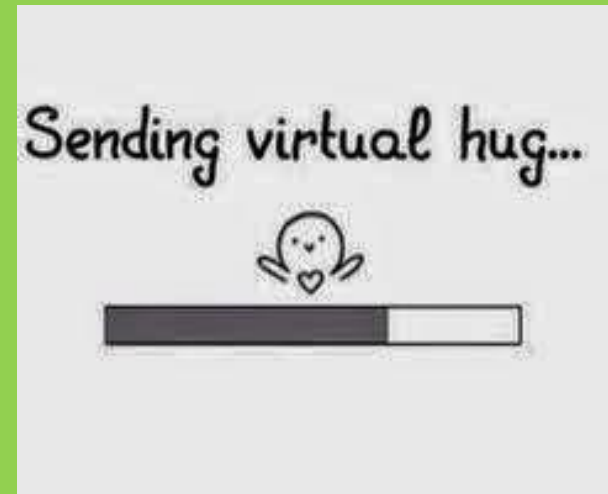

You may not be returning to school because your year group is not able to come back just yet, or because your parents do not feel that this is the right time for you to return. That means that for now, your superhero role is to continue to learn from home.

You might feel happy or excited about that – or you may feel worried or even a little bit cross. You may even feel all those emotions at the same time or something else. Whatever you feel, that is OK.

You might feel worried about your friends or siblings who will be coming to school. It's ok to feel worried about them because you care about them and want them to be safe. We care about them too so we have made some changes in school to make sure everyone is as safe as we can be.

School looks and feels quite different at the moment. You might want to take a look on our website and see. When it is time for you to come back, we will let you know what has changed so you know what to expect.

In the meantime, your teachers have been working hard to put your home learning pack together so there will be plenty for you to do!

**Year 6:** In school, every Friday will be **Hoodie Fridays** for Pygmy! We would like you to wear your brand new hoodie, as modelled by Mrs de Roeck below. You will be given these when we deliver your home learning packs.

If you have any worries or you need some help, the grown-ups will still be here for you to talk to.

We are so proud of you all and we hope you are proud of yourselves too!
