

Dear Alpine Class

I hope you have had a great weekend with your families.

I'm just checking in to say I am thinking about you all and missing you already!

It is time to start your home learning packs. I have uploaded a new set of spellings to spelling shed – there are 10 of your common exception words. Also remember all the great activities I showed you on Purple Mash on Friday.

Remember you can email any questions to me via Purple Mash using the 2email tool.

Have a great week learning and I will write to you again soon.

From Mrs Owen
