Dear Kinder class

Did you have a good week last week? I know a few of you were feeling a bit sad about things and have had very long weeks. Remember to keep having hope, smiling and finding things you enjoy doing. Have you heard the GOOD news? Year 3 have the opportunity to come into school for a quick visit! YAY! I really hope many of you take up this opportunity. You can come in to change your book and take out a library book. During this time we can have a catch up. Your adults at home should have received a letter/email about this. If they haven't, contact the school office.

Purple Mash

There will be no Purple Mash activities set this week. Instead I would like you to try using the timetable on the next page to plan your days if you can. You can still use Purple Mash by yourself and all the games and I will answer any emails you send. I still look forward to receiving these.

Fish Update

It is time! The fry are now big enough to move into the main aquarium so I will be doing that this week. Keep an eye out for some pictures.

Getting in touch

As always feel free to keep sending me emails on Purple Mash. You can send work, pictures, videos, news etc to me either on Purple Mash (<https://www.purplemash.com/sch/goatlees>) or sending it via email to dparris@goatlees.kent.sch.uk

Pupil of the week

Pupil of the week on Friday 18th June was Tommy H! Well done for all of your hard work and helpfulness at home!

Harry potter

If you are a Harry Potter fan you can sign up to the Wizarding World and have the first book (Harry Potter and the Philosopher's Stone) read to you. It's free to sign up to. You can read along or just lay down and listen to the book being read to you. It has lots of different people reading each chapter.

Working at home

I know many of you find it hard to do work at home (I do to!). I would like EVERYONE if you can, to try a little bit of work. This might be some of the work that has been sent to you. When you do some work for at least 15 minutes you can treat yourself to some playtime. Ask an adult to help set this up for you.

Birthday shout out

Happy Birthday to Amber! Have a wonderful day full of adventure!

This week's home learning.

You can still continue to use these very useful websites at home. Choose which suits you and your family best. I would love to know which ones you have been using and enjoying the most.

Here is a timetable that I will be using with the year 2/3 keyworker this week. You can adapt it so it best suits you. Having a timetable really helps as it gives me things to look forward to during the day.

Finally, I was wondering if anyone had learnt any new skills whilst at home? Have you been practising an instrument, learnt to code or perhaps developed your art skills? I would love to know!

Stay miraculous, stay safe.

Love from Mr Parris, Mrs Simmons and Miss Winfield

Weekly challenge

Set up your own quiz for friends and family. You could even video call them.

Things you have been up to at home

Ella finished her Ancient Egyptian pyramid. It looks amazing!

Michael spotted me/Gary Barlow on the TV. What do you think? It made us laugh a lot in school!
