

Dear Pygora class,

How are you all? Hope you have had a good week and enjoyed the warmer weather?

It's great to see so many of you having a go at the home learning activities. I'm really pleased that you have enjoyed the tasks and challenged yourselves, well done!

Here's some work that Abby sent me about the Romans! It looks amazing and she isn't alone in producing some great bits at home.

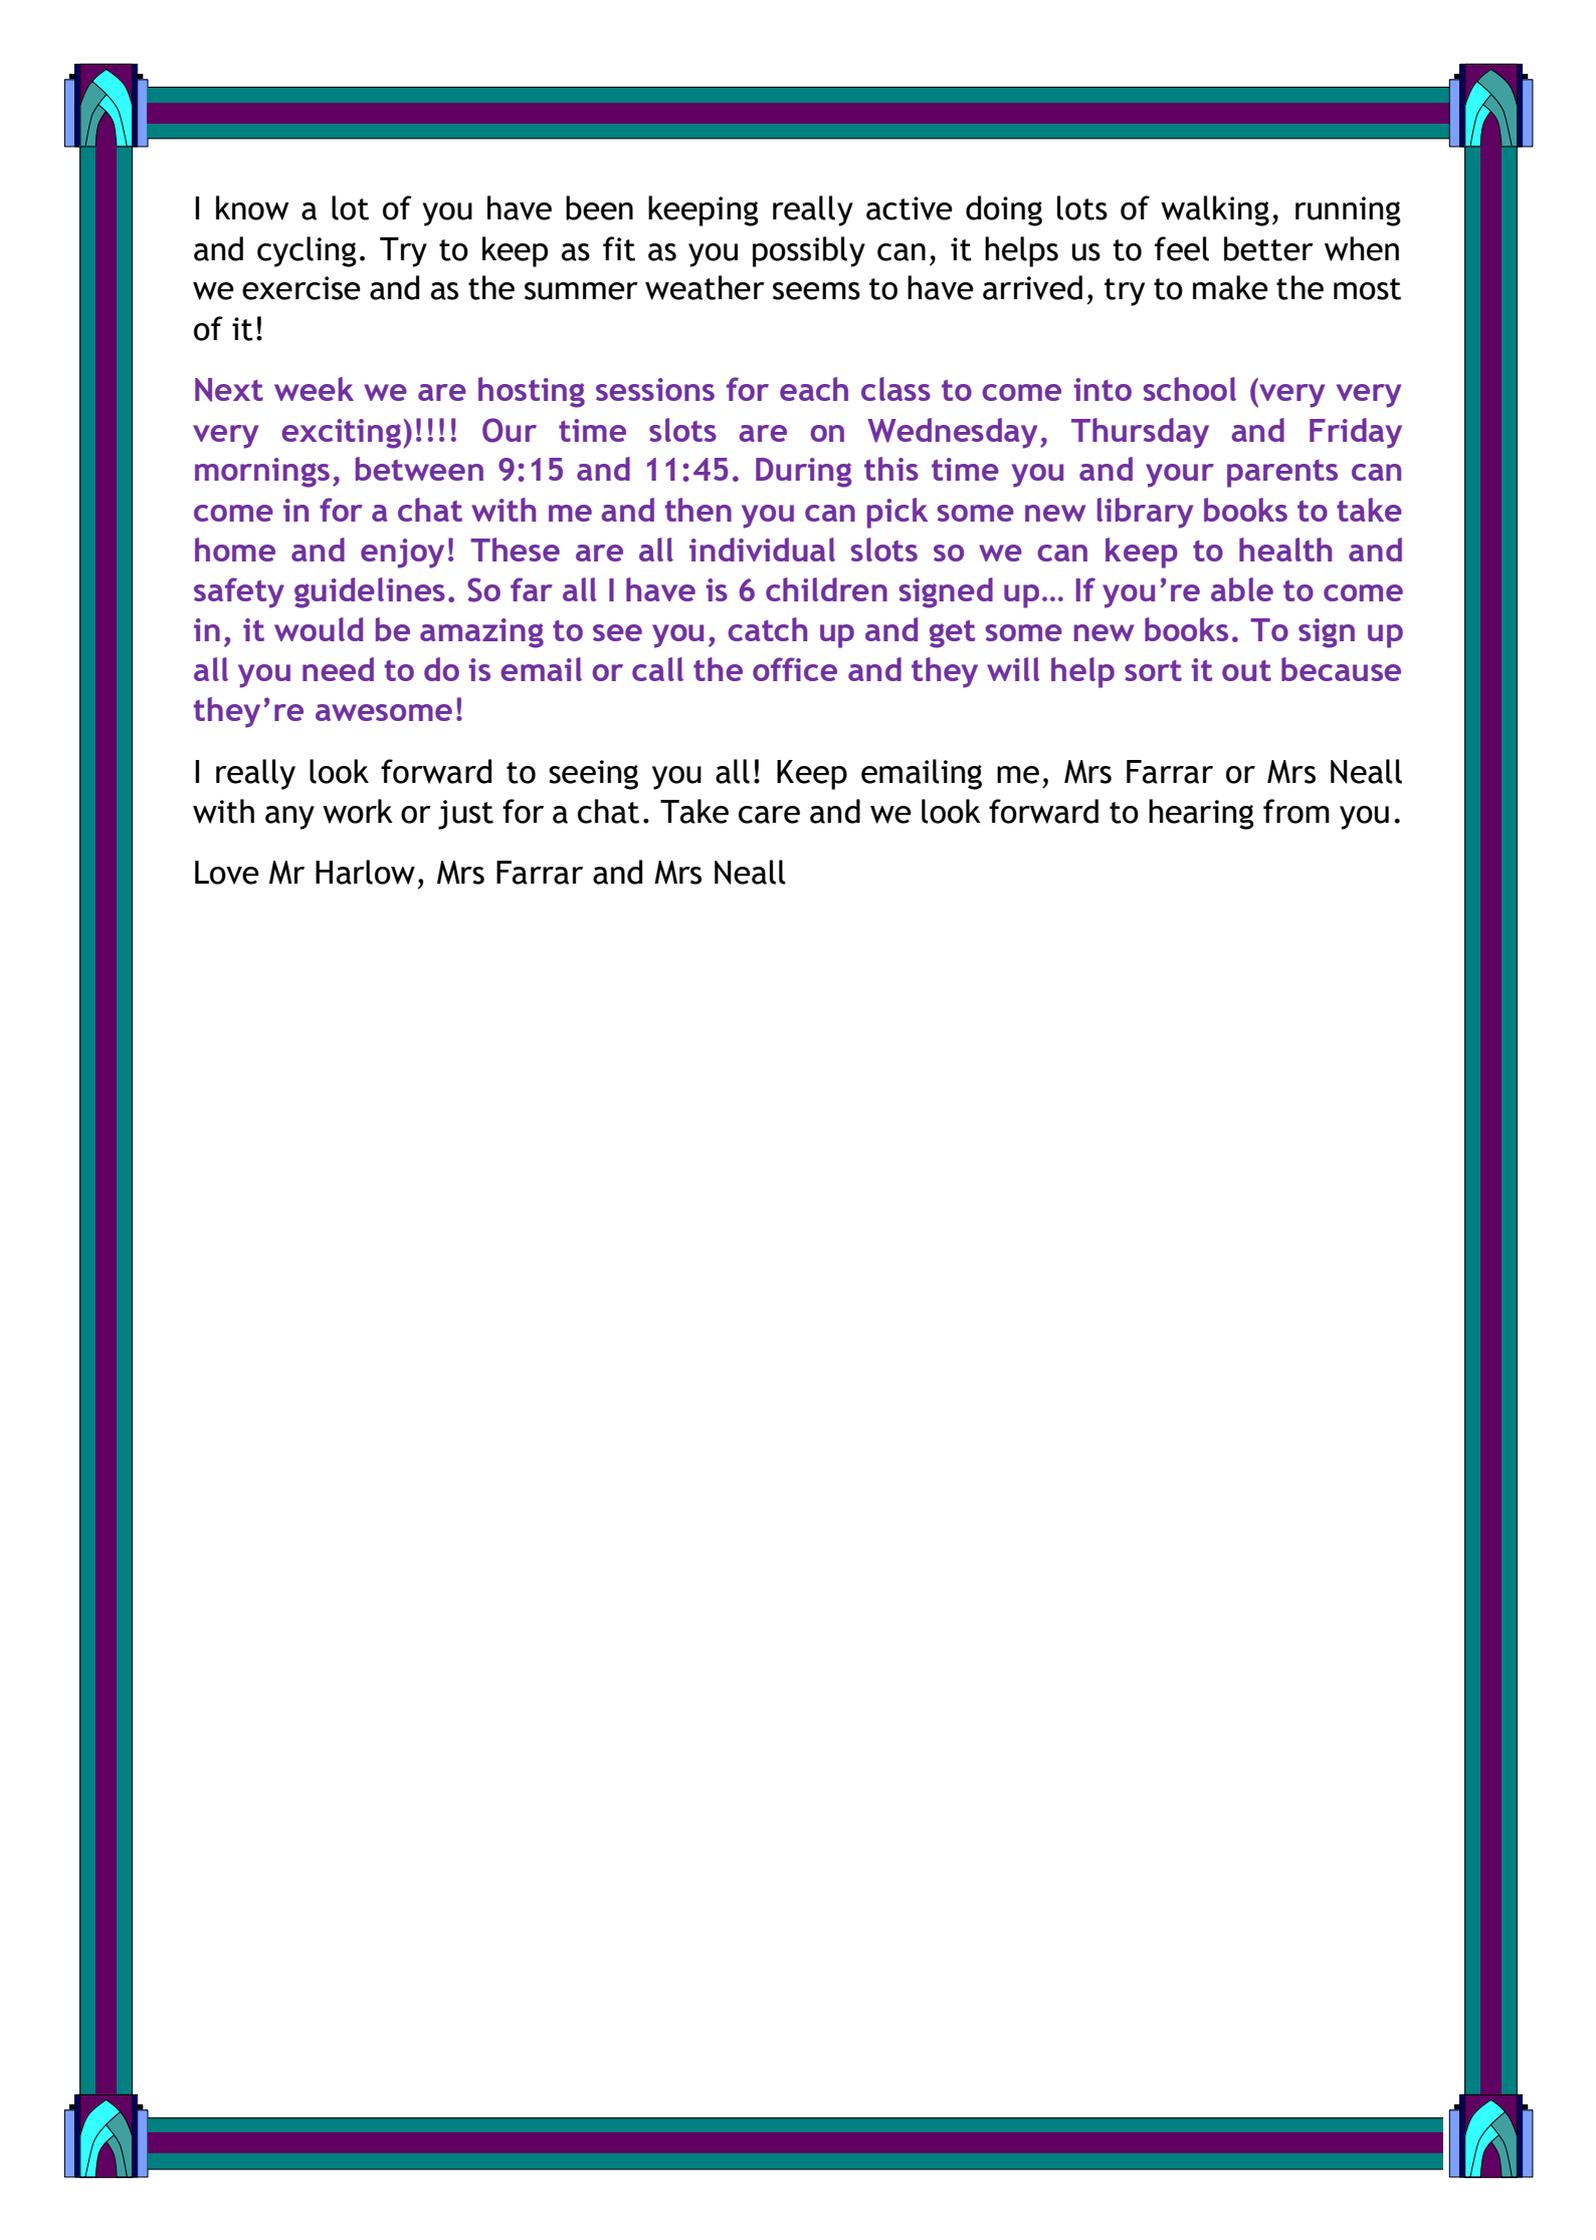

This week, the key worker group and I have continued looking at our topic of Crime and Punishment and we have learnt about Anglo-Saxon times, ooh they were gruesome and cruel, weren't they?! What did you find out about wergild, tithings, hue and cry and deterrent punishments?

On Monday, Ms Adams and Miss Chapman put up a tent on the field for Year 6 to do some of the residential activities they missed because of lockdown. But then they left me in charge of it!! (Because I have so much tent knowledge...

Mr Henry has also been in to do Forest School and I thought you might like to do some outdoor den building, putting up a tent, or fixing a hammock, either in your garden or go and see what you can find in the woods. Charing woods, Challock (where I built mine) or Kingswood are great for den building. See if you can get your parents to join in, how big can you make your den? Don't forget to send me any pictures.

I know a lot of you have been keeping really active doing lots of walking, running and cycling. Try to keep as fit as you possibly can, it helps us to feel better when we exercise and as the summer weather seems to have arrived, try to make the most of it!

Next week we are hosting sessions for each class to come into school (very very exciting)!!!! Our time slots are on Wednesday, Thursday and Friday mornings, between 9:15 and 11:45. During this time you and your parents can come in for a chat with me and then you can pick some new library books to take home and enjoy! These are all individual slots so we can keep to health and safety guidelines. So far all I have is 6 children signed up... If you're able to come in, it would be amazing to see you, catch up and get some new books. To sign up all you need to do is email or call the office and they will help sort it out because they're awesome!

I really look forward to seeing you all! Keep emailing me, Mrs Farrar or Mrs Neall with any work or just for a chat. Take care and we look forward to hearing from you.

Love Mr Harlow, Mrs Farrar and Mrs Neall
