

Hello Billy Class!

We hope that you have had a lovely weekend. Did you enjoy the lovely, warm weather last week?

This week's learning:

Phonics

- We start our **Zoom phonics lessons** this week for those of you who are not back at school yet. We will be learning the following sounds; **or ur** and **ow**. Hopefully you have picked up a whiteboard and pen from the school office.
- At school we will be recapping the sounds that we learnt last week, practicing writing sentences using these sounds. We will also be practicing reading and writing the tricky words **was** and **my**.
- Play games on <https://www.phonicsplay.co.uk/> to practise the above sounds. You can also practise the tricky words using the games on the website too. 😊

Maths

- This week in class we will be continuing to focus on doubling numbers to 20.
- If you are at home why not try some doubling problems like these:
 - There were 7 ducks swimming in the pond. The Doubles Magician waved his wand and doubled the number. How many ducks are there altogether?
 - Cyril scored 8 goals in his football match. The Doubles Magician waved his magic wand and doubled the number. How many goals has Cyril scored now?
- Can you make up your own doubles problems like the ones above? Tell them to one of your grown-ups and see if they can solve them!
- Play games on <https://www.topmarks.co.uk/maths-games/hit-the-button>

English

- We are going on a summer senses walk. We will be writing down words and sentences to describe what we hear, see and feel. Why not go on your own summer senses walk at home?

- We are going to learn about the life cycle of a bee and what we should do if bees scare us.
- And lastly.....don't forget to keep reading!!

Have a good week and remember you can contact us on Purple Mash at any time 😊

Miss Corrigan and Mrs Woodbridge 😊
