

29.6.20

Dear Kinder class

What a beautiful week we have had! I really hope you all took advantage of the lovely weather with a little bit of time outside. Perhaps you took a visit to the seaside? Please remember your sun cream and hats when you venture out.

I have been busy once again in the garden but my hay fever has been quite bad. If you suffer from hay fever you are not alone! You know what I'm like when I start sneezing... I don't stop!

### Purple Mash

Good news! We will be starting up Purple Mash activities again. You will get activities to do in your '2dos' on a Monday, due for the Friday. Remember to also send me an email during the week too. I really enjoy hearing what you have been up to!

Feel free to have a go with the other games and activities as well.

### Fish Update

The fry are now living happily in the main aquarium and are getting bigger by the day! Check out the photo.

### Getting in touch

As always feel free to keep sending me emails on Purple Mash. You can send work, pictures, videos, news etc to me either on Purple Mash (<https://www.purplemash.com/sch/goatlees>) or sending it via email to [dparris@goatlees.kent.sch.uk](mailto:dparris@goatlees.kent.sch.uk)

### Pupil of the week

Pupil of the week on Friday 16<sup>th</sup> June was Amber! Amber sent me an incredible news report all about Ancient Egypt which she made with her brother. It was brilliant and very informative!

### Birthday shout out

A big happy Birthday to Ellen. Have a super day!

### School visit

I am looking forward to seeing some of you this week when you pop in for a chat and to change your books over. It will be lovely to see your cheeky faces again! If you have not booked a slot and would like to, please contact the school office as soon as possible to arrange a time.

You should also have received a letter/email about the chance to come in for a couple of mornings to see friends and do some fun activities. I can't wait to see you! If you haven't heard about this, please contact the office.

### Photos

We are creating a photo board outside of our classroom which I will be adding lots of your photos onto that you send in. Send in a photo of yourself with work or doing an activity to show something that you have been up to at home. Check out the bottom of this letter to see what the board looks like so far. Thank you to all those who have sent work and photos already!

## This week's home learning.

Continue with any of these that you have been using.

Remember Purple Mash activities will be being set again this week.

Here is a timetable that I will be using with the year 2/3 keyworker group this week. You can adapt it so it best suits you. Having a timetable really helps as it gives me things to look forward to during the day.

BUBBLE 4	Monday	Tuesday	Wednesday	Thursday	Friday
9am-9:15am	Arrive/settling activity	Arrive/settling activity	Arrive/settling activity	Arrive/settling activity	Arrive/settling activity

2:45-3:00	Ready for home/mindfulness/Story	Ready for home/mindfulness/Story	Ready for home/mindfulness/Story	Ready for home/mindfulness/Story	Ready for home/mindfulness/Story

Finally, can you invent a stay cool machine? This might require fans, water sprays and maybe ice(cream). Design it on paper or a computer first. Make sure to ask an adults permission if you try to build it.

Stay fantastical , stay safe.

Love from Mr Parris, Mrs Simmons and Miss Winfield

### Weekly challenge

Go on a senses walk around your house or outside. Write down all the things you can hear, from the quietest to the loudest of sounds.
