

Hello Billy Class!

How has your week been? We hope you have enjoyed completing the activities we set last week and have had a chance to do some of the '2Dos' on Purple Mash.

This week's learning:

Phonics

- We will hopefully continue with Zoom phonics lessons this week for those of you at home. We will learn/recap the sounds **ur**, **ow** and **oi**.
- At school we will be learning/recapping the above sounds. We will also be practising reading and writing the tricky words **no** and **go**. We will write sentences using these words, such as: 'It is fun to **go** to the zoo'.
- Play games on <https://www.phonicsplay.co.uk/> to practise the above sounds. You can also practise the tricky words using the games on the website too. 😊

Maths

This week in class we will be focussing on **halving** and **sharing**.

- At home - could you halve your snack with your brother or sister or one of your grown-ups? For example, you could see if you could halve a box of raisins. Do you have any left over? Prompt your child to show you how they have shared them equally and fairly. We will do this with cubes at school!
- Play halving games on <https://www.topmarks.co.uk/maths-games/hit-the-button> start by halving up to 10.
- Can you put your family into two **equal** teams? We will try doing this with the children at school when doing running races in PE!

English

- We are going to be growing cress in school this week! We will talk about what cress needs to grow. We will be making and growing cress paper-plate sheep!
- Write a set of instructions for how to grow cress. Number each instruction. 😊
- And lastly.....don't forget to keep reading!! There will be new reading books for those of you at home to collect from school on Monday. You can also read lots of free e-books on <https://www.oxfordowl.co.uk/>

Have a good week and we hope the weather stays sunny all week this week!

Miss Corrigan and Mrs Woodbridge 😊
