

Dear Cashmere,

For those of you who came to our keeping in touch session on Monday, it really was lovely to see you all again and hopefully you enjoyed the activities and seeing some of your friends. Some of you have definitely gotten taller! I am looking forward to our next session, where hopefully none of you will fall over and injure yourselves this time! Remember, if you have any requests for games you'd like to play just send me an email on purple mash. This week we are going to be making these cute lollipop turtles.

Well done to HM for getting pupil of the week for being a trooper on Monday when he cut his chin, and for his determination to get to the top of the leader board in spelling shed!

I can't believe that we now only have two and a half weeks left before the summer holiday, this term has gone by so quickly. In these last few weeks, can you think of some acts of kindness you can do for your family? You could write a nice note, make a cup of tea or coffee, do some hoovering, or come up with your own.

This week, I would like everyone (where possible) to:

- 1) Start preparing for our virtual school games day - how many star jumps can you do in a minute? Can you come up with your own exercise routine?
- 2) **Maths:** - Practice your times tables.
 - Log on to the Oak Academy and have a go at the maths lessons.
<https://www.thenational.academy/online-classroom/year-4/#subjects>
 - And/Or
 - You could alternate Have a go at some of the BBC bitesize lessons.
 - Complete some maths in your home learning packs.

3) English:

- Log on to <https://www.spellingshed.com/en-gb> and work on your spellings for the week - there will be new ones set EVERY week!
- Continue to work through your home learning pack.
- Can you write a 'guide to Cashmere class', with all the things you feel are important that will help the new year 4's next year. You could include tips for writing/maths/rules/how to work well together.

4) Science

As we would have been working on an environmental project this term, I think it would be a great idea if you would like to have a go at getting a green Blue Peter Badge. This link (<https://www.bbc.co.uk/cbbc/findoutmore/blue-peter-apply-for-a-green-badge>) gives you all the information on how to apply and what you need to do if you would like to (make sure to get your parent's permission). You can choose any environmental theme you like and could create a 3D project, design a campaign with posters and badges, create something that will help the environment or write a letter about something that you have done to help the environment. If you are successful, you are

able to use your badge to get free entry to over 200 attractions across the UK (when they are open again), including Howletts, Port Lymn, Blue Reef Aquarium, Dover Castle and even the Eden project.

5) Finally, please remember to keep reading as much as you can!

Stay safe

Love Miss Chapman
