

Dear Pygora class,

How are you all? Hope you have had a good week and have been productive! What things have you been up to?

This week we had our first Keeping in touch session and it was so good to see so many of you. It was awesome to chat and have a laugh and I'm so glad we have another session this week as I really look forward to seeing you guys!

This week, the key worker group and I have continued looking at our topic of Crime and Punishment. This week we looked at Vandalism and in particular, graffiti. We had some brilliant debates and discussions around it before we created our own pieces in our Art lessons.

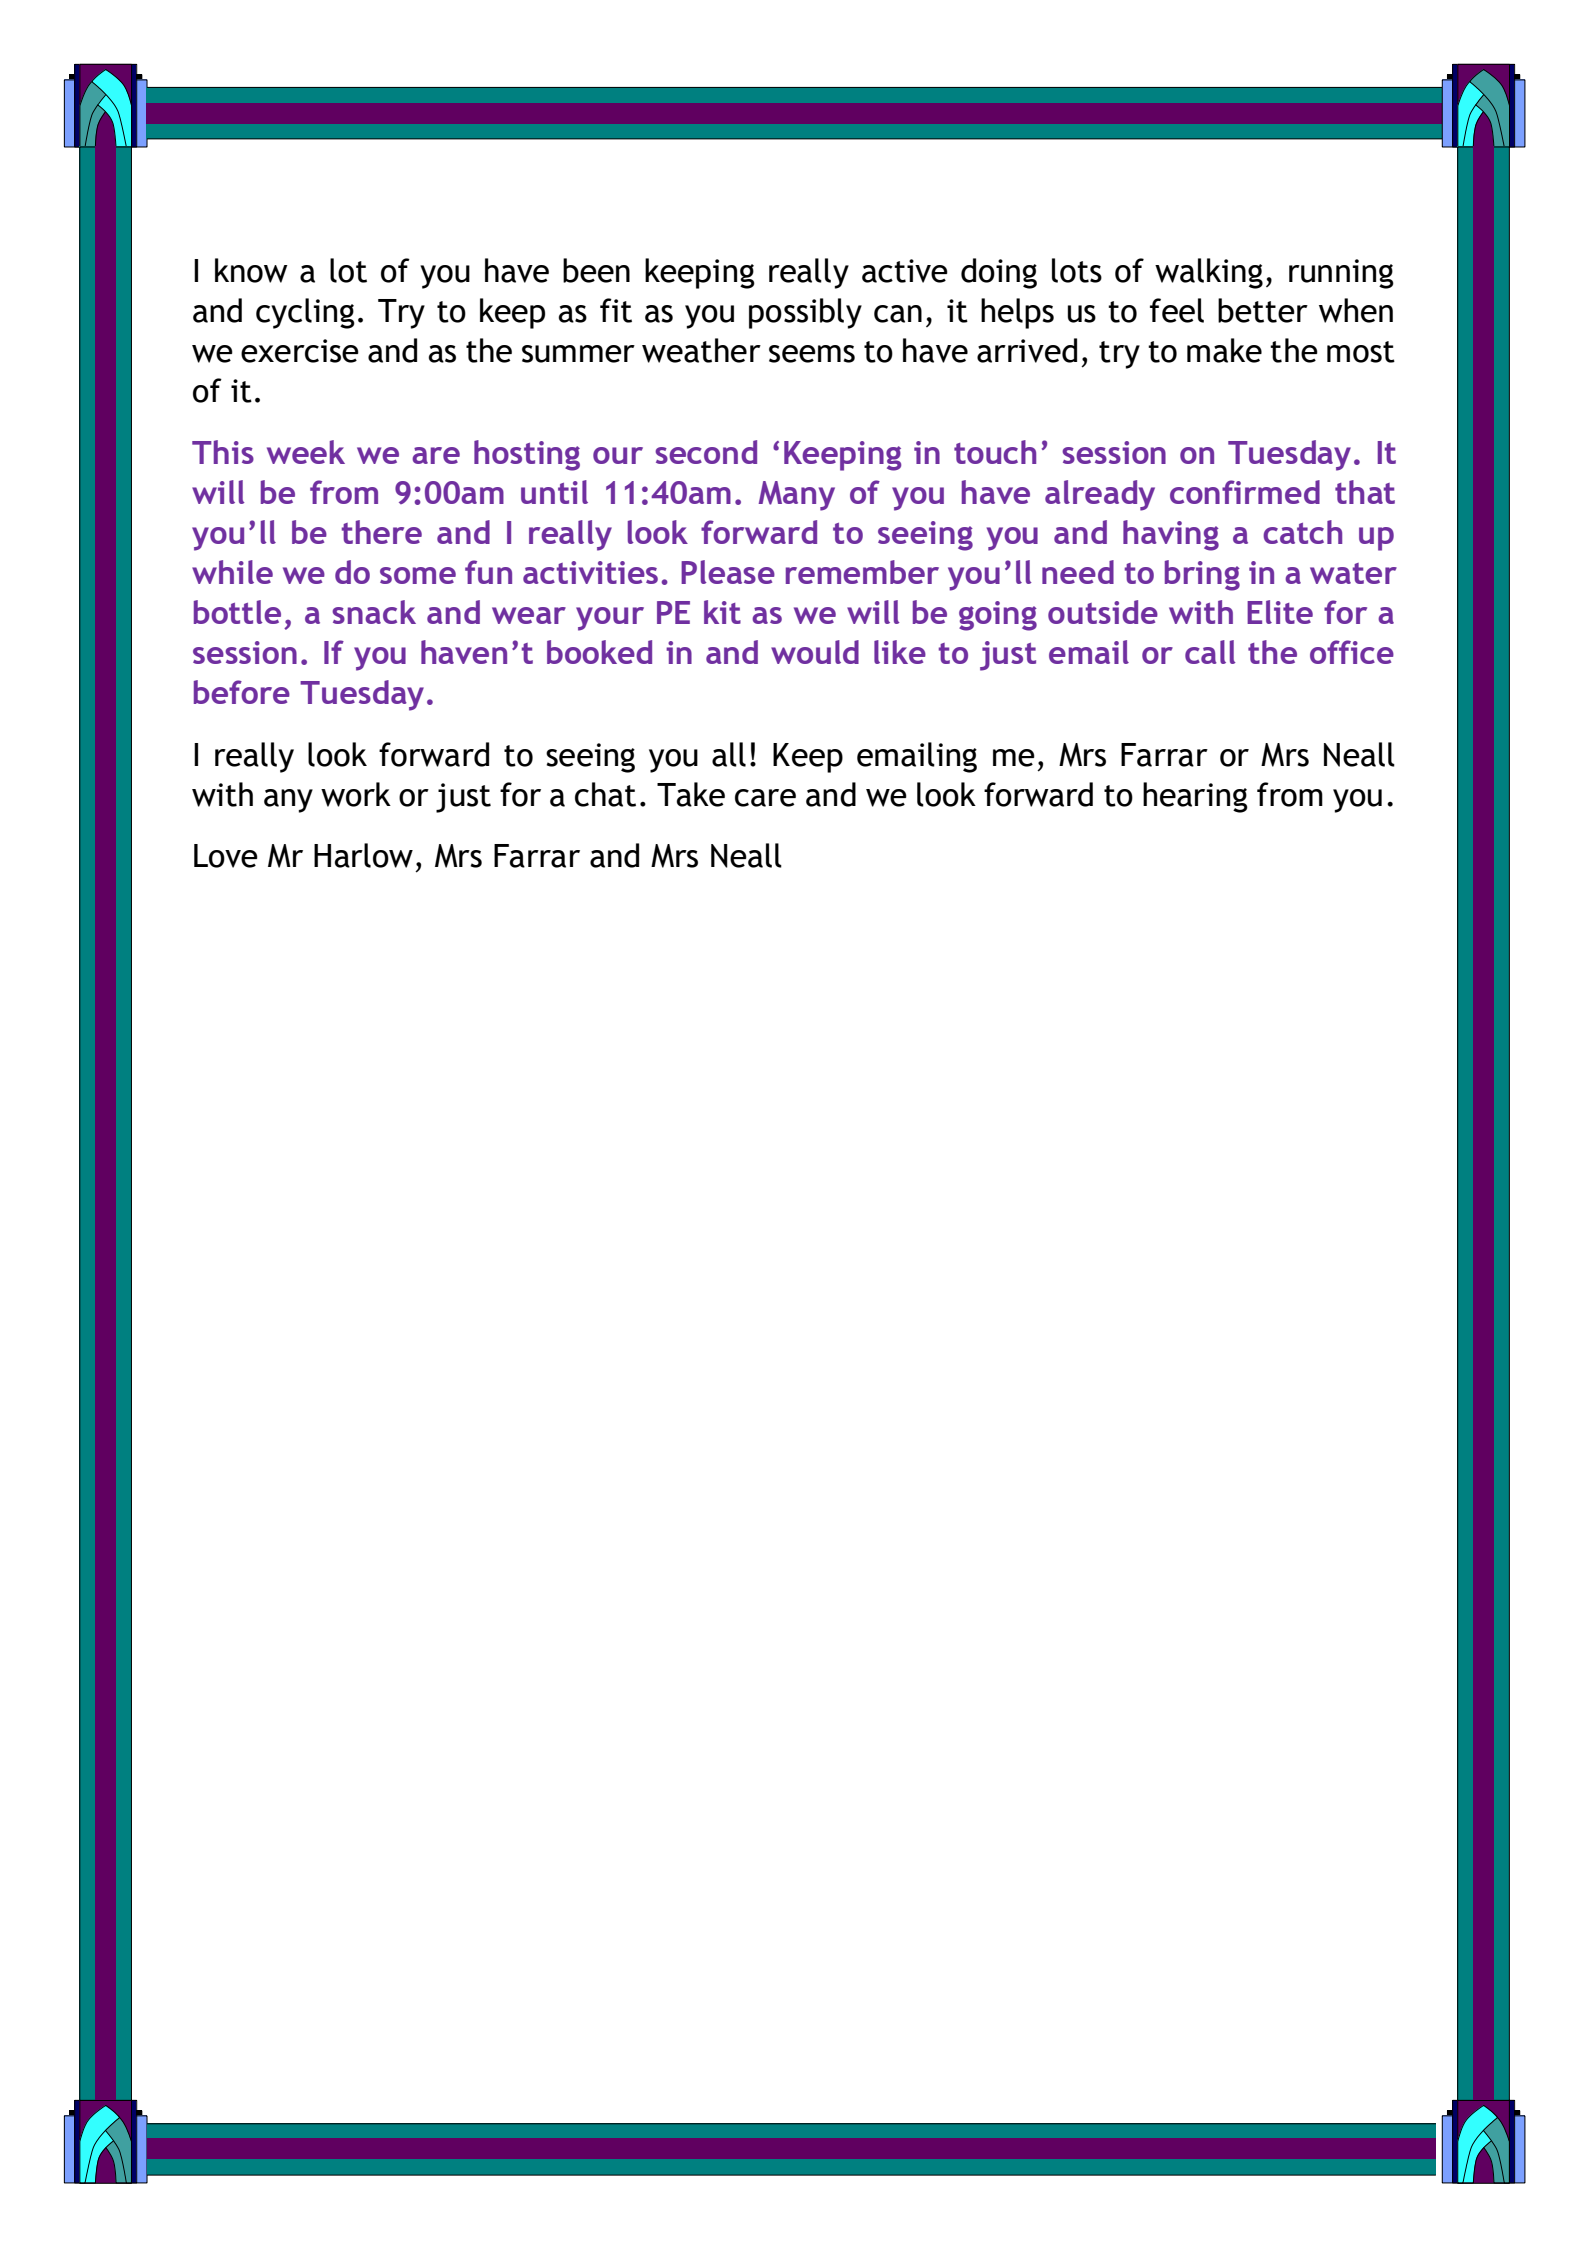

This was my piece of graffiti... Have to say I'm very proud of my chicken! (you guys know I'm not great at art!) Once the wall is finished, I'll send you some more photos of it. See if you can do anything while you're at home. We spent some time looking at Banksy and his artwork for some ideas. Some of you have told me of the work you've done at home about our topic and I can't wait to see it. Remember you can always email bits to me through

Purple Mash.

Our bubble also did some more baking this week. We made our own scones and then had them with cream and jam, served with a cup of tea or hot chocolate. Then we ate them on the field. This is exactly how they looked (well maybe not quite as neat...) Have you done any baking this week while at home? If you have or you do some, take some photos and send them in. Our next challenge will either be some Focaccia (type of bread) or something sweeter like cookies.

I know a lot of you have been keeping really active doing lots of walking, running and cycling. Try to keep as fit as you possibly can, it helps us to feel better when we exercise and as the summer weather seems to have arrived, try to make the most of it.

This week we are hosting our second 'Keeping in touch' session on Tuesday. It will be from 9:00am until 11:40am. Many of you have already confirmed that you'll be there and I really look forward to seeing you and having a catch up while we do some fun activities. Please remember you'll need to bring in a water bottle, a snack and wear your PE kit as we will be going outside with Elite for a session. If you haven't booked in and would like to just email or call the office before Tuesday.

I really look forward to seeing you all! Keep emailing me, Mrs Farrar or Mrs Neall with any work or just for a chat. Take care and we look forward to hearing from you.

Love Mr Harlow, Mrs Farrar and Mrs Neall
