

Hello Billy Class!

We hope you have had a lovely week at home and have been doing bits in your home learning pack. We would love to see any photos of what you have been up to - please send them to us on Purple Mash. ☺

This week's learning:

Phonics

- We will hopefully continue with Zoom phonics lessons this week for those of you at home. We will learn/recap the sounds **ear**, **air** and **oi**.
- At school we will be learning/recapping the above sounds. We will also be practising reading and writing the tricky words **you** and **they**. We will write sentences using these words.
- Play games on <https://www.phonicsplay.co.uk/> to practise the above sounds. You can also practise the tricky words using the games on the website too. ☺

Maths

This week in class we will be focussing on **odd** and **even**.

- Watch Numberblocks series 2 episode 11 'odds and evens' on YouTube ☺
- Put toys such as cars, plastic animals or dolls into groups of two. Are any left over? Are your groups equal? Talk about how **odd** quantities will have 1 left over when shared into two equal groups.
- At home, children could help their grown-ups to put socks into pairs. If the socks can be put into pairs without any left over then this is an **even** number of socks!
- In school, we will look at Numicon. We will identify a pattern with the pieces by lining them up and seeing the odd and even pattern as we count up.

English

- We will be writing sentences in Phonics using our sounds and tricky words - the children at school are trying so hard with this!
- Write a postcard to a friend about your favourite holiday. Draw a picture of somewhere that you went such as the beach or swimming pool on the front. Can you write a few sentences about what you did? For example: 'I went to the beach.' 'It was hot and sunny.'

We are also going to be making these as part of our Summer topic:

We will go onto the field to collect some flowers and leaves and we will thread them into holes to fill the vases! 😊

Stay safe online

Get busy playing games and staying safe online. You are all spending much more time online these days and to help you stay safe google have a few fun games to play. You might have played some before. Try out the Interland games and become an internet legend! Have fun!

https://beinternetlegends.withgoogle.com/en_uk/interland

We are looking forward to our **School Games Day** on Friday! Have a great week,

Miss Corrigan and Mrs Woodbridge 😊
