

Dear Angora

Another week has passed! I can see on Purple Mash that lots of you have been really busy and playing lots of the games. Try to challenge yourself to get your best mark!

It is nearly Easter so I am going to say a big HAPPY EASTER ready for when it comes! There are lots of Easter activities on Purple Mash. I will set some as 2dos to make some easier to find. Thank you to Freddie and William who have already been teaching me Easter facts!

It's great to see that there are lots of different activities going on, such as Isaac's moon puzzle. Thanks for sharing Isaac! Why don't you do some junk modelling? Zach has been making bugs out of egg boxes, great thinking Zach! I've been doing the 'P.E. with Joe Wicks' exercises. They are exhausting! I had to have a long sit down after the first one, but I am getting better now.

If you have enjoyed reading a book, or listening to a story-time online, remember that you can tell me all about it through Purple Mash email and I can share it with everyone else. If you have a favourite joke, you can also share that and I will share it on the next letter!

Have a great Easter - stay home and stay safe.

Love from Mrs Terrell
