

6.4.20

Dear Kinder class

We are officially in April! Can you believe it? Did you notice a difference when the clocks went forward by 1 hour? Have you seen it is staying lighter in the evenings?

I hope you have all had a very nice week and been keeping yourselves busy. I have just got Disney+ which has kept me very entertained with lots of new things to watch. I also completed a half marathon last weekend too (I ran 21000 meters). I imagine lots of you have been baking, making and creating lots of fantastical things. I hope you have also been doing some home learning.

Once again I have loved receiving your emails on Purple Mash. They all bring a smile to my face and brighten up my days. If you haven't sent an email yet, please do and tell me what you have been up to. You can send me work, pictures or even just a message to say "Hi." Ask an adult if you need any help.

I have put your class assembly online. Great work from everyone. Follow the link to watch!

Excellent work to everyone who has been doing some home learning, using your packs, spelling shed or Purple Mash. I really enjoyed reading your book reviews. I will be setting some more tasks on Purple Mash this week. You can access them any time Monday to Friday. Remember to press the 'hand in' button when you complete them.

PE -Joe Wicks has been keeping me very busy each morning:

You might want to try some super movers too:

<https://www.bbc.co.uk/teach/supermovers/ks2-collection/zr4ky9g>

Maths - Please try the year 3 maths lessons, it has all you need with videos and activities. I wonder which ones you have done already?

Reading - You can currently listen to Harry Potter for free on audible - I know a lot of you adore these books! If you have a copy of 'The Philosopher's Stone' you could read long with it. Perhaps you might like to create your own audio book with another story you enjoy.

Writing - Your instructions that you sent me last week were delicious. I have made lots of cheese sandwiches and flapjacks! This week I would like you to write a thank you letter to someone of your choice you think helps (doctor, police, cleaner etc). Remember to include an address, the date and your reasons for writing. As a challenge try to use paragraphs with examples of their hard work and your thoughts.

Remember to email if you need anything! You are all AWESOME!

See you soon,

Love from Mr Parris

Challenge of the week: Make your bed everyday
