

Hello Alpine Class,

Well what can we say, week 8! We never thought it would be this long in lockdown. Thankfully, the weather has been much sunnier again so we hope you have been taking advantage of your daily exercise outside.

Remember, doing exercise makes you feel good - that's scientifically proven don't you know! Getting outside in the fresh air is also great for your wellbeing. I went on a really long walk in the fields around Godinton House at the weekend and it was soooooo good to be outside. Luckily, I can walk there from my house but I am sure that you all have some nice green spaces you can walk in nearby.

I have been writing your end of year reports this week to go out later in the year and seeing all of your photographs has been so lovely. It was nice to see your faces but it has made me miss you so much more. Here are our faces in case you've forgotten what we look like! I was out on a walk in my local area, Mr Kent was out walking his dog Polly, Miss Wilson-Bell was taking advantage of the sun in her garden (not trying to escape her children at all), Mrs Cooper was having a snuggle with her kitty Merlin and Mrs Catmull's hair has grown so long she can now tie it up!

We want to say a happy belated birthday to Tyler and Sofia who both celebrated their 7th birthday last Tuesday. We hope you had a great day. We know Tyler loved his Nintendo Switch that he got - lucky boy!

Happy birthday to Evie who has her birthday on Wednesday and Max whose is on Thursday. We hope you have a great day even though it won't be quite the same as normal.

Pupil of the Week

Last week's pupils of the week were:

Evie for an excellent piece of writing including adjectives and a subordinating clause - you can see it below.

Jack for being kind during forest school.

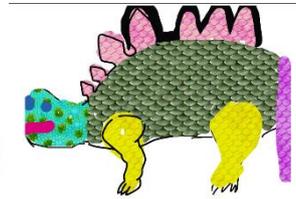

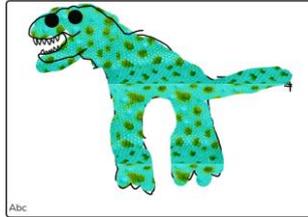

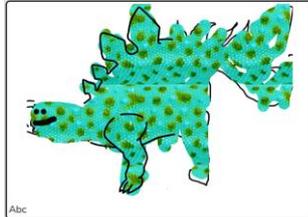

Well done!

230 x 219

I love seeing what you have been up to at home so thank you to everyone that has emailed me some work at kowen@goatlees.kent.sch.uk or has been completing tasks on Purple Mash. Look at what your classmates have been up to.

Josie, Eddie, Jasmine and Oliver have been colouring dinosaurs on Purple Mash.

Evie wrote a description about the seaside.

Using our Senses at The Seaside.

 I can see a mermaid	 I can smell yummy, salty fish and chips.	 I can hear the waves.
 I can taste amazing chocolate ice cream.	 I can touch the soft silky sand.	
I really like going to the seaside because we can make a sand castle.		

Josie used other words for light to describe objects.

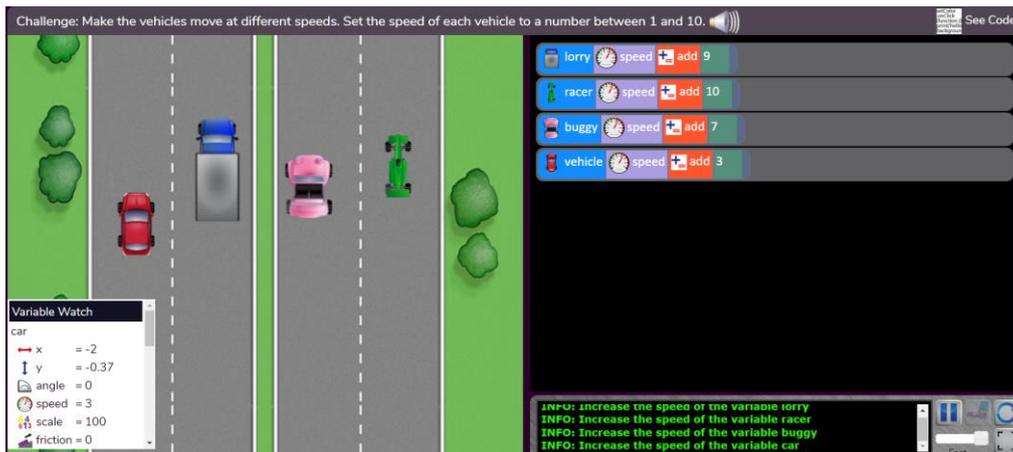

Light Synonyms

 The giant bonfire was ablaze!	 The lightbulb is bright so that so that I can see in the dark!	 THE LIGHT IS BRIGHT!
 THE CANDELE IS BRIGHT!	 The vivid fire work is so bright!	 The vivid colours from the sparkler are illuminated!
 THE LAMP IS VIVID!	 Josie is radiant!	 The bright yellow ruler!

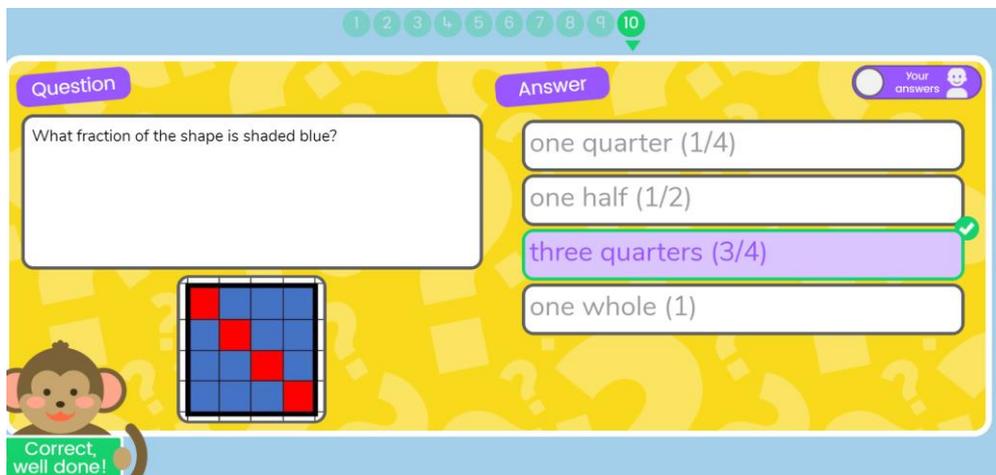

Lilly has labelled dinosaurs on Purple Mash.

Evie has been practising her coding skills making cars move at different speeds.

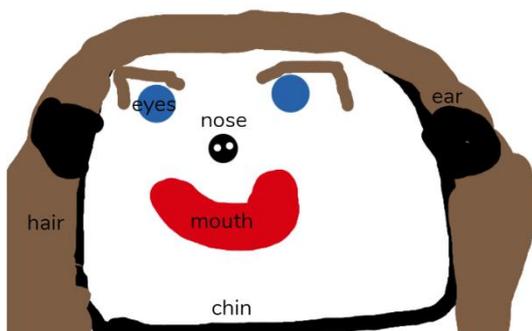

Rija has been finding fractions of shapes.

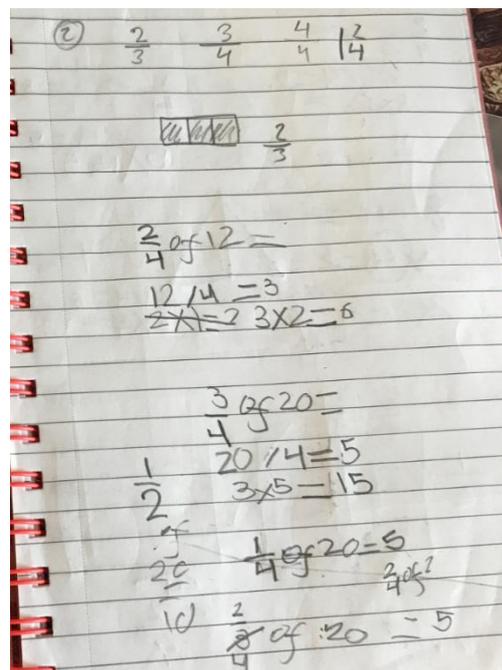

Lilian has drawn and labelled her own face.

My Face

Ahc

While Emily has been completing lots of Maths.

Joke of the week

Why are fish so smart?

Because they live in schools

Can you guess the Disney films from the emojis? Let me know what you think they are.

I'll post the answers on next week's letter.

There is still time to send in your NHS hero drawings to aderoeck@goatlees.kent.sch.uk

Mrs de Roeck has had some great entries already but none from Alpine class. I know we have some very talented artists in our class so give it a go. She is sending them to her friend who designed this one and also to Kent NHS to show our appreciation!

Keep up all of your amazing hard work and fingers crossed, we shall see you really soon!

Missing you all,

Love Mrs Owen, Mr Kent, Miss Wilson-Bell, Mrs Cooper and Mrs Catmull
