

School Council Meeting

Date: Monday 13 January 2020 Time: 11.45

Present: All School Councillors & Ms Adams and Mrs deRoeck.

Our third school council meeting of the year

Suggestions put forward by class representatives:

Year 6: Larger cloakroom area. Yorkshire puddings back on the roast menu. Different fruit in flavoured water. Chicken burgers and hot dog on the menu - we are limited because we have to have a balanced menu. Year 6 not getting extra portions. Year 6 - football all day on Monday, look at play rota and change the sport?

Year 5: Outdoor equipment. More books in the class library - looking after them.

Year 4: toys for break. Snacks for lunch - need to fill up on more salad or bring in more food in their packed lunch. They would like burgers back again (Term 5 and 6). School council to look at the menu for the summer term. Salad bar - can we make sure that we give it out. Whole school art day - with houses. Expand the healthy tuck shop. Shade spots outside. More people want to be involved with gardening club - could each class have a section to work on over the year? Pond - Mrs Paggett is working on this. More people to have the opportunity for sports tournament.

Year 3: Play equipment. New slide. The flavoured water is really good. Enjoying the start for their topic. Fundraising to raise money for school - fruit kebabs, disco, more on the healthy tuckshop and car boot fair.

Year 2: More adults in the class. Polite and manners. Reminder of school rules. More reward time. Cloakroom and classroom tidy.

Year 1: Broken toys and new equipment - children not looking after the toys and equipment.) Stronger flavoured water.

School council projects:

All school council projects have been completed - the tuck shop and flavoured water will be ongoing and continuous throughout the year.
